

From Fr. Farabee

Dear People of Trinity Church,

My wife and I are going to move. After 22 years in Buffalo, in our house on Norwood Avenue, we are going to sell our house and relocate to Florida near our children and grandchildren. In 22 years our house has accumulated many things! Recently I have been rummaging around the basement and attic and I'm astonished at the "stuff" we have collected. Faced with the prospect of having to move our belongings to Florida we are realizing that some of our "stuff" cannot go with us. It's a daunting job to decide what to take and what to leave.

As we prepare for this new chapter in our lives we are assessing each dish, book, sweater, chair, framed picture, and carpet: will they fit into a new house. A different house, with different floorplan, different ceilings, different kitchen and different feel. It's not easy. Change never is. But there is no way forward without this sorting.

We know the new chapter will be different from the current one. We will be older than now. We will have a new church to enjoy. We will have grandchildren running through the rooms of our house and bouncing on our bed. Taking and leaving – the key to happy change. Letting go and embracing the new – the key to successful transition.

I've been thinking about you and Trinity Church as you get ready for a new chapter in your life. It will be different from the past chapters and you will need to decide what "stuff" from your past to carry with you into the new chapter and what "stuff" to leave behind. I have no idea how you should make those decisions, but you can't avoid choosing. Pray about it, take some chances, and remember that travelling light helps. We have to let go of some of our books, and some of our "stuff." Otherwise we'll never get there.

So, blessed sorting everybody. I know it is not easy. But if you remember that God will be with you in your journey all shall be well.

With thanks for all the stuff,

Father Farabee

Trinity Search Committee

With the Congregational Assessment Tool results in hand, the next phase of the search for a new rector has begun. Fr. Sam Colley-Toothaker, Interim Specialist from the Episcopal Diocese of WNY, set before the search committee the tasks ahead. We are currently writing the Parish Profile and answering questions from the Office of Transitional Ministries. These must be completed before we can post the opening. The team meets regularly each week, and confers with each other between meetings. Please keep us in your prayers throughout this process, as we keep our Trinity family in ours.

Vestry News

Our Beautiful Stained Glass Windows

As many of you know, our beautiful windows have needed TLC for several years. Fred Liener has collected valuable information over many years. This material is now in the hands of a member of our vestry, John Hefty. Over the last three months he has been gathering estimates for repairing our windows. During the vestry meetings in August and September we will be reviewing four estimates and establishing a course of action.

This is an exciting time!

Bits & Pieces

- Bob Coon, Trinity's favorite treasurer, is home and recouping well. We continue to keep Shirley and Bob in our prayers. During his absence Jim Ivey, the assistant treasurer and Ginny Becker will be taking care of Trinity's financial needs.
- Congratulations to Bob & Shirley Coon who are celebrating their 70th anniversary on August 16th!
- Did you know that in 1978 Barker Commons was approved into the *National Registry of Historic Places* as the "Barker Commons Historic District." Listed in that historical district are 25 historic buildings that face the Commons including our very own, **Trinity Episcopal Church!**
- Congratulations!! At the Chautauqua County Fair this year, Patty Arnold received Best of Show for her needlework.

CHANGES TO COFFEE HOUR

Volunteers provide treats, make coffee and lemonade, serve, and clean-up.

Meet Dr. Ji-Hyun Woo

On August 13 Dr. Woo becomes our new Organist.

Trinity welcomes her with open arms!

“I am Ji-Hyun Woo, Lecturer of Music Theory and Organ at the State University of New York at Fredonia. A native of Seoul, Korea, I earned a Ph.D. in Music Theory from the University at Buffalo, where I also completed three Master’s degrees, in Music Theory, Composition, and Organ. Previous to arriving in the United States, I was awarded a Bachelor's degree in Composition from Sook Myung Women's University in Seoul, Korea.

My research is focused on *fin de siècle* chromaticism, in particular, on the development and usage of scale-step flat 2 in the late nineteenth and early twentieth centuries. Recently my proposal, **“How do WWI composers speak of their patriotism through the lens of Christ’s suffering and resurrection?”** was accepted in the **2018 AGO in Kansas City for continuing education Workshops.**

As an active performer, I regularly performed recitals at the Western New York and at the First United Presbyterian Church in Dunkirk, New York. My recording “Aurora,” with clarinetist Dr. Andrew Siegel was released on the Emeritus label. It features premiere recordings of works by Sy Brandon, as well as several works by contemporary composers including Augusta Read Thomas, and Daniel Pinkham.

I came to USA 16 years ago with my two boys to achieve my American Dream. It was not an easy journey but the miracle happened for me. When I was in Korea I was not a devoted Christian and I did not even go to church. But here, my first job (now I would call it my first mission) was as pianist at the Korean Presbyterian Church in Clarence, NY. I was so happy and proud to serve as my boss was God. I served there for five years and it gave me a chance to meet Christ. Then I came to Fredonia as a faculty at SUNY Fredonia and this gave me a chance to serve God at the First United Presbyterian Church in Dunkirk, NY.

It is a tremendous honor to be part of Trinity and I am looking forward to meeting you all. Finally, I would like to extend my thankfulness to Father Robert Arnold who believes in me.” - Ji-Hyun Woo
